# INDEPENDENT AUDITOR'S REPORT

To the Members of Techaviom Finance Private Limited

# Report on the Audit of the Financial Statements

# Opinion

We have audited the Financial Statements of Techaviom Finance Private Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023 and its profit and its cash flows for the year ended on that date.

# **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act. 2013 and thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information contained in the Company's Annual Report but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

# Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls. However, the provisions of Section 143(3)(i) are not applicable to the Company in terms of notification No. GSR 583(E), dated 13th June 2017 issued by the Ministry of Corporate Affairs (MCA).

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

# Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central
  Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the

  - iv.
    - a. The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the "Ultimate Beneficiaries".
    - b. The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of

the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our attention that causes us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement;
- v. The company has not declared or paid any dividend during the year ending on  $31^{\rm st}$  March, 2023.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 01, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii)of the Companies (Auditor's Report) Order, 2020 ("the Order") is not applicable to the Company.
- According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- Based on our examination of the books and records of the Company and according to the information and explanations given to us, in our opinion the Company is not required to spend any amount on Corporate Social Responsibility as provisions under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx)(a) and (b)of the Companies (Auditor's Report) Order, 2020 ("the Order") are not applicable to the Company.

(xxi)

The reporting under Clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has

Notes forming part of the Financial Statements for the year ended 31st March 2023

# Note 1- Corporate Information

TECHAVIOM FINANCEPRIVATE LIMITED (hereinafter referred to as "Company" was incorporated on 20<sup>th</sup> July, 2020, vide Certificate of Incorporation no. U65990DL2020PTC366515. The Company is primarily engaged the business of providing finance and advancing short term and long-term loans and credits to individuals, companies or association of individuals by whatever name called based either on securities or without securities.

The Company is Non-Systematically Important Non-Deposit taking Non-Banking Financial Company ("NBFC"), holding a Certificate of Registration ("COR") from the Reserve Bank of India ("RBI") dated 26<sup>th</sup> March 2021 under Section 45-IA of the Reserve Bank of India Act.1934.

The registration details are as follows:

RBIN-14.03544

# Note 2-Basis of Preparation of Financial Statements

The financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the Accounting Standards (AS) notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The Company also follows directions prescribed by the Reserve Bank of India ("RBI") for Non-Banking Financial Company ("NBFC"). All assets & Liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in Schedule-III of the Act. The company has ascertained its Operating cycle to be of 12 months for such classification.

The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

# Note 2.1- Significant Accounting Policies

# A. Use of Estimates

The preparation of financial statements in conformity with the Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Examples of estimates include useful life of fixed assets, retirement benefits and provision for doubtful receivables. Actual results could differ from these estimates. Any changes in estimates are adjusted prospectively. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods. The management believes that the estimates used in the preparation of the financial statements are prudent and reasonable.

# B. Taxation

Current Income Tax payable in India is determined in accordance with the provisions of the Income-tax Act, 1961 enacted in India.

Deferred tax is accounted for using the tax rates and laws that are enacted or substantively enacted and reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years in terms of mandatory

Notes forming part of the Financial Statements for the year ended 31st March 2023

Accounting Standard (AS) 22: Accounting for Taxes on Income.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits at each Balance Sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

# C. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The Following specific recognition criteria are met before revenue is recognised.

Interest: Interest income is recognised on a time proportionate basis taking into account the amount outstanding and the applicable interest rate. Interest Income is included under the head "Revenue from Operations" in the Statement of Profit and Loss Account". Further in accordance with the guidelines issued by the Reserve Bank of India for Non-Banking Finance Companies income on assets classified as Non-Performing Assets is recognised on receipt basis.

Processing Fees and Application Fees: Income from application& processing fees including recovery of documentation charges are recognised upfront at the inception of the contract.

Delayed Payment Charges, Penal Interest, Other Penal Charges, Foreclosure Charges etc. are recognised in the receipt basis on account of uncertainty of the ultimate collection of the same.

Other incomes are accounted for in the books of accounts as and when they accrue.

# D. Provisions& Contingent Liabilities

# (a)Provisions

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Where the company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relatingto any provision is presented in the statement of profit and loss net of any reimbursement.

Notes forming part of the Financial Statements for the year ended 31st March 2023

# (b) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

# (c) Provisions & write-offs Assets

The Company assesses all loans and receivables for their recoverability and makes provision Non-Performing Assets (NPA) as considered necessary based on past experience, emerging trends & estimates subject to the minimum provision required as per the Master Direction-Non-Banking Financial Company-Non-Systematically Important Non-Deposit taking Company (Reserve Bank) Directions 2016 ("NBFC Master Directions") as and when amended.

Contingent provision against standard assets, as required by the NBFC Master Directions is also made by the company on the standard assets outstanding as per the rates given in the NBFC Master Directions.

The outstanding amount of loan asset is written-off in cases where the days past due of the customer exceeds 365 days.

# E. Earnings Per Share

Basic earnings per share is calculated by dividing the net profit/(loss) for the year attributable equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit/ (loss) for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

# F. Cash and Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into cash and have original maturities of three months or less from the date of purchase, to be cash equivalents.

# G. Property Plant & Equipment

All Property, Plant and Equipment (PPE) are stated at carrying value in accordance with previous GAAP. The cost of an item of property, plant and equipment is recognized as an asset if, and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The cost of an item of PPE is the cash price equivalent at the recognition date. The cost of an item of PPE comprises:

i) Purchase price, duties, non-refundable purchase taxes and any other incidental expenses directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.

Notes forming part of the Financial Statements for the year ended 31st March 2023

The company has chosen the cost model for recognition and this model is applied to all class of assets. After recognition as an asset, an item of PPE is carried at its cost less any accumulated depreciation and any accumulated impairment losses.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

# H. Depreciationand Amortization

Depreciation on an item of Property, Plant and Equipment (PPE) is calculated on a written-down value basis using the rates arrived at based on the useful lives as prescribed under Schedule II of Companies Act 2013. Assets having value less than Rs. 5000/- is fully depreciated in the year in which it is put to use.

The useful lives are reviewed by the management at each financial yearend and revised, if appropriate. In case of a revision, the unamortized depreciable amount is charged over the revised remaining useful life.

Schedule II to the Companies Act, 2013 prescribes useful life for Property, Plant and Equipment which in many cases, are different from the useful life considered by the management. Schedule II allows Companies to use higher/lower useful life and residual value, if such useful lives and residual values can be technically supported and justification for difference is disclosed in financial statement.

The management believes that useful life currently used, fairly reflect its estimate of the useful lives and residual value of Property, Plant and Equipment, though these lives in certain cases are different from the lives prescribed under Schedule II.

# I. Impairment of Assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the profit and loss account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

After impairment, depreciation is provided on the revised carrying amount of the assets as per the depreciation policy.

# J. Lease Accounting

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

# K. Borrowing Costs

# Construction of qualifying assets

Borrowing Costs that are directly attributable to the acquisition or construction of qualifying assets are considered as part of the cost of the assets/Project.

# Interest expense

Interest on borrowing is recognized on a time proportion basis taking into account amount outstanding and the rate applicable on borrowing

# Processing and other fees on borrowings

Company pays processing and other arranger fees on borrowings to obtain such borrowings. Fees so incurred is recognized as expense over the tenor. The unamortized balance is disclosed as part of other current/non current assets

# L. Long Term Employment Benefits

# Defined Contribution Plans: Provident Fund

All employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate as per the provisions of The Employees Provident Fund and Miscellaneous Provisions Act, 1952. These contributions are made to the fund administered and managed by the Government of India.

The Company's contributions to the scheme are expensed off in the Statement of Profit and Loss. The Company has no further obligations under the plan beyond its monthly contributions.

# Defined Benefit Plans: Gratuity

The Company provides for retirement benefits in the form of Gratuity. Benefits payable to eligible employees of the company with respect to gratuity, a defined benefit plan is accounted for on the basis of an actuarial valuation as at the Balance Sheet date. In accordance with the Payment of Gratuity Act, 1972, the plan provides for lump sum payments to vested employees on retirement, death while in service or on termination of employment an amount equivalent to 15 days basic salary for each completed year of service. Vesting occurs upon completion of five years of service. The present value of such obligation is determined by the projected unit credit method and adjusted for past service cost as at the balance sheet date. The resultant actuarial gain or loss on change in present value of the defined benefit obligation is recognized as an income or expense in the Statement of Profit and Loss as and when incurred.

# TECHAVIOM FINANCE PRIVATE LIMITED Notes forming part of the Financial Statements for the year ended 31st March 2023

Other: Leave encashment

Benefits under the Company's leave encashment scheme constitute other employee benefits. The liability in respect of leave encashment is provided on the basis of an actuarial valuation done by an independent actuary at the end of the year. Actuarial gain and losses are recognised immediately in the Statement of Profit and Loss.

# 24 Micro, Small and Medium Enterprises

The Company has not received any memorandum (as required to be filed by the suppliers with the notified authority under the Micro, Small and Medium Enterprises Development Act, 2006) claiming their status as micro, small and medium enterprises. Consequently, the information required to be furnished in terms of para 6, after sub-para-F of Part I of Schedule III to the Companies Act, 2013 with respect to the amount unpaid as at the year-end to such enterprises together with the interest paid/ payable to such parties has not been disclosed. However, certain specific entities have been identified as MSME Enterprises and disclosure has been made accordingly in the books of accounts.

Further, in the absence of such information being available in respect of all MSME suppliers as above, the "total outstanding dues of micro-enterprises and small enterprises" as required to be disclosed vide para 4(b) of Part I of Schedule III to the Companies Act, 2013 contains only amounts with respect to specific parties which were identified as MSME as mentioned in the foregoing paragraph. As a consequence, the total amount payable to suppliers' net of balances pertaining to parties as specified above as at the year-end has been classified as "total outstanding dues of creditors other than Micro enterprises and small enterprises" under Trade Payables in the Balance Sheet.
